

OCCUPATIONAL HEALTH & SAFETY POLICY

DOCUMENT NO:PO-OHSAS-01

REV. NO: 00

REV. DATE:00-00-00

St. Theresa Industries (Pvt) Ltd committed to performing work in the safest possible manner consistent with the Sri Lanka Factories Ordinance, applicable legislation, and guidelines given by respective stakeholders in the manufacturing of all types of steel fabrication and accessories used for power generation and distribution.

It is our belief that every employee & visitor in our premises are entitled to be safe and healthy. We are committed to taking every precaution by creating such an environment.

Our goal is to eliminate or minimize the hazards that cause incidents including near-misses and accidents leading to injuries.

Any incident in this company will be viewed as a serious matter and will be thoroughly investigated to remove the root causes and to take appropriate corrections and corrective actions.
